IN MEMORIAM

IN MEMORIAM

In loving memory of our Mother, Mrs. Phil Paulette, who passed away six years ago, May 22.
She was a plain, dear Mother,
With a loving smile each day.
Always trying to do for others,
As she journeyed on her way.
In some small way every day,
Memories of you come our way.
Time and years roll swiftly by,
But loving memories never die.
More and more each day we miss her.

As area winner, Henry will receive a check for $20 and a certificate from the Future Farmers of America Foundation.

Henry has also had an outstanding record in farm mechanics.

Abbitt Spoke In Suffolk

Suffolk, Va.- Representative Watkins M. Abbitt (D.-Va.) said here Monday that the spirit of paternalism will eventually destroy democracy in America unless conservative minded people rally their forces.

Speaking at a Memorial Day ceremony, the Fourth District Congressman asserted that "we are raising up a generation of 'gimme' people being taught to hold out their hands to a paternalistic welfare government in Washington in the hopes of getting something for nothing."

The belief held by many that the solution to most of their problems lies with the Federal government is a false concept, Abbitt declared. "It is our duty as loyal, patriotic American citizens to disabuse their minds of such concepts of collectivatism..... The Federal government can give us nothing that it has not first extracted from the people."

Striking at various Federal aid "handouts", the Congressman described as a fallacy the idea such aid can come without controls. "There is no such thing as Federal aid without Federal control. Control follows aid as night follows day," he declared.

Chest X-Ray Clinics Here

Community leaders have pledged united support to a campaign to offer free chest x-rays to the entire adult population of Appomattox County in an effort to find unknown cases of tuberculosis.

Dr. Francis J. Clements, County Health Director, urged the active cooperation of every organized group in the community. "Tuberculosis is still an urgent public health problem," Dr. Clements said, "even though drugs and modern treatment are saving many lives." In 1958, there were 1,800 new cases of tuberculosis reported in Virginia, including 31 from Appomattox County.

"Anyone who dies of tuberculosis today, dies of a curable, needless disease. Tuberculosis can be treated and cured, but, first, the disease must be found. A chest x-ray is the simplest, surest way to find tuberculosis in its early stages when it can be cured more quickly and easily."

Dr. Clements pointed out that even in the early stages when symptoms are not as evident, tuberculosis can ruin the health of the victim and be spread to others.

"Through this new survey," he said, "we hope to find and treat every unknown case of tuberculosis in Appomattox County. Only then can the entire community be safe."

The Home Demonstration Clubs of the county are conducting house-to-house canvasses to determine the number of persons eligible for x-ray, and to increase interest in the survey. Their splendid cooperation and energetic activities are greatly appreciated by those in charge of the survey, and will go far to making it the largest one yet.

The proposed case-finding survey is sponsored by the State Department of Health, the Appomattox County Health Department, and the Southside Tuberculosis Association in Farmville.

The nine-hole golf course is being prepared, and it is hoped that the course will be ready for play by the end of the month. A carload of quality sand, from Oceana, Va., is expected this week, so that the "greens" may be readied.

Chapter Is Area Winner

The Robert E. Lee F. F. A. Chapter of the Appomattox High School has been scored as the outstanding local chapter in Southside Virginia during the current school year. In determining the area winner, a scoring committee considered the accomplishments of 24 local chapters in the 15-county area.

The principal points evaluated by the scoring committee were student farming programs, cooperation, community service, leadership, earnings and savings, and scholarship.

The Robert E. Lee unit has 103 active members. Myron Richardson is chapter president. The chapter advisers are H. B. Pack, Jr., W. Lewis Motley, and R. N. Ashworth.

The work of the chapter will be considered along with that of other area winners for the State F. F. A. Foundation award.

Announcement of the state winner will be made during the Annual Convention of the Virginia Association, Future Farmers of America, June 20-23.

Liberty Chapel Club

The Liberty Chapel Home Demonstration Club will hold its June meeting at the Vera School on Monday, June 20, at 7:30 o'clock. Mr. G. F. Abbitt, Jr., will be present and discuss wills, deeds and other legal papers. The public is invited.

Things are moving along satisfactorily now on the telephone expansion program, according to W. S. Gills, manager, and the date of August 7, 1960, has been selected as the day for cutting all the new telephones in service and for changing all the existing telephones to their new numbers.

Mr. Gills stated that he is frequently asked when the new numbers will be assigned, by folks who are holding up printing orders for telephone numbers. This will be done within the next 4 to 6 weeks, and when they are ready the company will announce the fact in the Times-Virginian so that anyone needing their new number may call in and get it.

The Appomattox Central Office building has recently been enlarged to about twice its original size and technicians arrived last Wednesday (May 18) to begin installing the new equipment. This work will require about 2 months to complete.

The equipment for the Pamplin office is scheduled for shipment in June, so its installation will be a close race with the August 7 deadline.

Since all of the pole and wire lines have already been completed, on this particular project, and the company had some unused equipment in their Pamplin dial office, they have connected up a few telephones in each of the principal areas they will serve. This has been done as a cooperative effort on the part of the Telephone Company and the people who have the telephones, in order to get some telephone service into the various areas as soon as possible for the convenience of the people and for emergency use.

No charges are being made for these phones, except for long distance calls, and the folks who have them welcome their neighbors to come in and use them whenever they wish to make a call.
